The Application Form

1. *Personal Details*: Your personal details as the applicant for Membership. Please complete this section as fully as possible to save us from having to request omitted parts later. Parts marked with an asterisk (*) are essential.

Please enter the names of Nominated and Family Members, if you run out of space please continue on a separate page.

2. *The Riders List (optional)*: Periodically the Club publish a list with contact details of all Members who would be happy to assist fellow members who may find themselves in difficulties when they are touring away from home or even just for social visits from Members who may be passing by.

To safeguard participating Member's details in the event the list falls into the hands of non-Members, the details are limited to; name, phone numbers, e-mail address and simple area information. The published list will not mention the name of the Club or any other such details that may lead anyone to conclude what the list is for.

3. *Subscriptions*: You are offered a choice of Membership duration; Membership for one year or Long Term Membership for five years. The five year option is charged at five times the current one year rate. This protects your future Membership from inflation.

The Club's Membership year is calculated as, from 1st January until the 31st December.

- Applications received during the months July to September inclusive, shall be charged at £18 for the Ordinary Member; £6 for each Nominated Member; £1 for each Family Member. This membership period will expire on the 31st December of the same year.
- All applications made between 1st October and 31st December, will effectively get this period free and the start date of the Membership will be calculated from 1st January.

NB. No refunds will be paid for any Membership that terminates mid-term.

4. and 5. *Payment Details*: Please complete all relevant parts.

All charges are in Great Britain Pounds (GBP). If you pay by credit or debit card it is essential that you write your name and address details, exactly as they appear on the card statements that you receive from your card supplier. Payment by card requires a small handling surcharge.

6. *Machine Registration*: We ask you to register all the H.R.D. or Vincent machines and parts of said machines that you currently own. This information is logged on our Machine Register alongside original factory information and offers a history of machine ownership over the years. This record can be of great benefit in the event that machines are stolen. Additionally it helps the Club to combat forgery by unscrupulous dealers.

7. *Declaration*: All applicants are required to sign their agreement to abide by the Club rules - or the application cannot be accepted.

All information supplied to the Machine Register is treated with utmost confidentiality and is accessible only to specially authorised Club Officials.

If you run out of space please continue on a separate page.

Your Application Form will be processed as soon as possible after we receive it. Membership Secretaries will mail your Membership Card to you after checking your form. This is normally a quick process, but at some times of the year, it may take up to 28 days.
